

October 1, 2009

Ontario Tire Stewardship would like to inform all our registered Stewards who deal with Off-the-Road (OTR) tires that the Tire Stewardship Fee (TSF) rates for OTR have been updated. Updated OTR TSF rates have been posted on our website under the Steward page at <https://www.ontariots.ca/?q=RolesOpsStewards>, and also are shown on the TSF Remittance Form.

Due to a rounding error that affected Off-the-Road TSF rates, the OTR TSF rates were shown to be slightly higher on the rate tables in the Appendix of the Program Plan and in our Steward Guidebook. Passenger Light Tires (PLT) and Medium Truck Tires (MT) rates are not affected by this error.

The correct TSF rates for OTR tires as of September 1, 2009 are as follows:

Tire Category	TSF per tire
Agricultural Drive and Logger Skidder Tires	\$15.29
Small and Large Industrial tires	\$12.51
Small OTR Tires	\$22.24
Medium OTR Tires	\$97.30
Large OTR Tires	\$104.25
Giant OTR Tires	\$250.20

OTS apologizes for any inconvenience this may cause.

If you have any questions about this rate update, please contact our call centre at 1-888-OTS-2202 or email us at Steward@ontarioTS.ca.

Sincerely,

Andrew Horsman
Executive Director
Ontario Tire Stewardship
